

BOMEX[®] 2006

BOMA Canada's National Conference & Exposition

This year's conference and expo are being held at the World Trade and Convention Centre in historic downtown Halifax, Nova Scotia. The conference is within walking distance of many of Halifax's popular restaurants, shops and tourist attractions. Consider an extended stay to take in all the sights!

While at the conference, you'll be able to take part in education sessions ranging from Labour Shortage issues to Emerging Trends in Sustainability, plus world-class keynote sessions with Andrew Coyne, Dr. Nick Bontis and Mike Lipkin.

The annual BOMEX[®] Golf Classic takes place the day before the conference begins. Registrations are filling up – **so sign up today!**

The prestigious National Awards Gala on Thursday will once again honour the best of what our industry has to offer. And to wrap up the conference, we'll be shown some of that famous "Maritime hospitality" at the Maritime Kitchen Party taking place at Pier 21 National Historic Site. It will feature delicious local food and rollicking Maritime music!

We look forward to seeing you this September in Halifax!
